

2016 USW Negotiations
Nelson and District Credit Union

Tentative Settlement Reached between USW and NDCU

Ratifications meetings first week of September

Following 11 days of bargaining from May 9 until August 25 with NDCU, your USW Local 1-405 Bargaining Committee is pleased to announce that a tentative agreement has been reached between the two parties.

For the first time in recent memory, a settlement has been reached between the USW and NDCU without a strike vote, mediation or the threat of job action, strike or lockout.

Your USW Negotiating Committee is recommending acceptance of the memorandum. Copies and details of the memorandum will be made available to the membership at the meetings. Please contact the Local Union/Bargaining Committee member if you do not receive a copy and would like one prior to the meetings.
